Project Title: Boonville Last Mile Project

Proposed Project Location:

Boonville, California located in Mendocino County

Project Type: Last Mile

CASF Funding Requested

Amount of Grant: \$128,000

Description of Project

WillitsOnline LLC and its subsidiary company, Rural Broadband Now! LLC, propose to deploy its Mega*Link ADSL2+ broadband service to Boonville, CA. This project will employ the use of ADSL2+ to end user locations by deploying in the ATT Central Office serving the area, and using a DWDM fiber middle mile component on leased dark fiber. Speeds available will reach 24mbps down and 2mbps up, with various service plans available tailored for business, residential and commercial users.
