

North County Communications, INC. CASF Grant Application

Project Name: Humboldt & Del Norte Fiber

Project Summary

Applicants Name:

North County Communications INC.

Contact Person:

Todd Lesser 619-364-4750 todd@nccom.com

Project Title:

Humboldt & Del Norte Fiber

Proposed Project Area Location:

The proposed project stretches along the upper Northern California coastline from Brookings, Oregon in the north to Benbow, California in the south.

Project Type:

Last Mile and Middle Mile.

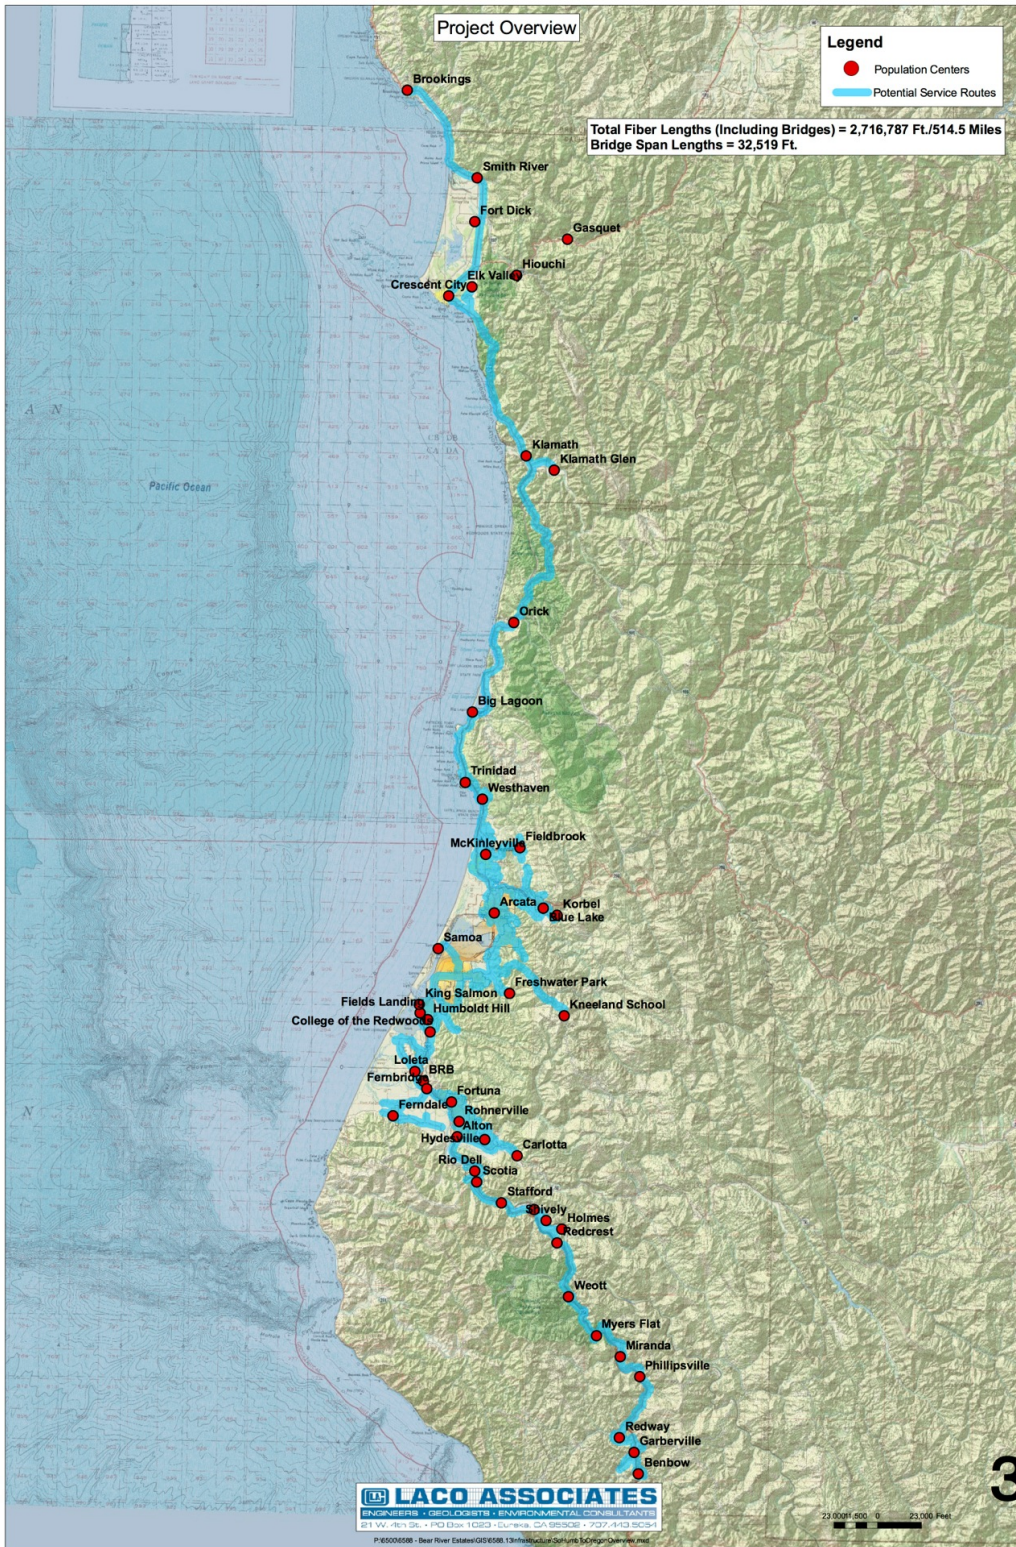

CASF Funding Requested:

\$14,828,917.00

Description of the Project:

The Humboldt/Del Norte County project plans to bring affordable high speed broadband service to rural, underserved communities far Northern Coastal California. The project intends to encourage adoption while delivering last mile service to rural and impoverished communities at speeds up to 1Gbps. The project will also maintain a middle mile backbone capable of delivering speeds up to 10 Gbps to public safety, health and educational institutions who are currently incapable of connecting rural remote offices back to central operations. The service area will pass 7,497 households, 5,534 businesses while connecting 25 school districts, 75 schools, 3 institutions of higher learning; 25 fire departments, 11 public safety agencies, 7 airports, 18 health clinics, 7 hospital sites, 4 incorporated cities, 2 counties and associated offices, and 9 Indian Tribe administrative centers.
