Order Instituting Investigation on the Commission's Own Motion into the California's One Million New Internet Users Coalition's Misuse of California Advanced Services Fund Grant Funds; and Order to Show Cause Why the Commission Should Not Impose Penalties and/or Other Remedies for Violating Terms of Their Grant and for Refusing to Return Funds Previously Demanded by the Commission's Division.

Investigation 18-07-009

**COMMUNITY UNION, INC.'S MOTION FOR AN EXTENSION OF TIME TO RESPOND TO THE
ADMINISTRATIVE LAW JUDGE'S RULING REQUESTING CASE MANAGEMENT STATEMENTS**

Pursuant to Rule 11.6 of the Rules of Practice and Procedure of the California Public Utilities Commission (CPUC), Community Union, Inc. respectfully makes a *Motion for an Extension of Time to Respond to the Administrative Law Judge's Ruling Requesting Case Management Statements* (Motion).

By this Motion, Community Union respectfully requests that the ALJ grant Community Union an extension of time to prepare and submit the Case Management Statement (CMS). Community Union requests the CMS be due by Thursday, March 19, 2020.

Community Union has been working diligently to complete the CMS and have found witnesses they will call to testify, are no longer working with the CPUC, e.g. Ryan Dulin former Director of Communications Division. Additionally, due to extreme financial hardship we are currently experiencing extreme financial hardship due the closing of schools regionally in L.A., our primary line of business.

It is our opinion that Other Parties will not be effected by this 48 hours Motion for an Extension based on email sent to the parties to which we have heard no objections to our intent to file a motion

for extension.

For the foregoing reasons, Community Union respectfully request ALJ Zhang grant the Motion and extend the time for submission of our CMS until Thursday, March 19, 2020 as requested herein.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Larry Ortega", is positioned above the typed name and contact information.
