Order Instituting Investigation on the Commission's Own Motion into the California's One Million New Internet Users Coalition's Misuse of California Advanced Services Fund Grant Funds; and Order to Show Cause Why the Commission Should Not Impose Penalties and/or Other Remedies for Violating Terms of Their Grant and for Refusing to Return Funds Previously Demanded by the Commission's Division.

Investigation 18-07-009

DECLARATION OF LARRY ORTEGA

My name is Larry Ortega. I am the President of Community Union, Inc. I have personal knowledge of the facts stated herein.

1. During my research to find how other entities filed their Opening Testimony I found only regulated utility companies who submitted Opening Testimony to the CPUC.
2. I have filed motions for time extensions on behalf of Community Union during this proceeding. Those that the ALJ granted, were fulfilled as promised.
3. During my research for Opening Testimony, I was unable to find similar language that the CPED has used in their motions and responses to the matter currently before the ALJ, RE: 18-07-009. I was astonished to find that the same tonality used in cases against the So. Cal. Gas Co. in the Aliso Canyon matter were used by CPED in this matter.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct to the best of my knowledge.

Executed on June 1, 2020, at Pomona, California.

Respectfully submitted,
