No. 19-70344

Before: TALLMAN and MURGUIA, Circuit Judges.

Respondent Federal Communications Commission's motion to consolidate petition Nos. 19-70123, 19-70124, 19-70125, 19-70136, 19-70144, 19-70145, 19-70146, and 19-70147 with petition Nos. 19-70326, 19-70339, 19-70341, 19-70344 is granted (Docket Entry No. 30 in 19-70123). These petitions are consolidated.

The above consolidated petitions shall be assigned to the panel assigned to decide the merits of petition Nos. 18-72689 and 19-70490.

The motion for a case management conference is granted (Docket Entry No. 25 in 19-70123). We refer these consolidated petitions, and consolidated petition Nos. 18-72689 and 19-70490, to the court's special master, Appellate

Commissioner Peter L. Shaw, to conduct a case management conference with the parties. The special master shall consider any issues he deems appropriate to manage the petitions effectively, including but not limited to the development of a briefing plan for the above-listed twelve petitions. *See* Fed. R. App. P. 48; 9th Cir. R. 33-1, Note(b). The case management conference will be scheduled by separate order of the special master.

Respondent FCC's opposed motion to hold these petitions in abeyance and defer filing the administrative records is granted in part (Docket Entry No. 30 in 19-70123). Proceedings in these consolidated petitions other than the case management conference are stayed pending the case management conference.

Briefing is suspended pending further order of the court following the case management conference.
